

Vitalogy SKINCARE announces a new office and new physician in Southwest Austin

Vitalogy SKINCARE opened a new dermatology location in Southwest Austin in January 2014. Holly Singletary, M.D. practices on the first floor, suite 105, of the newly built Southwest Medical Village in the Oakhill community.

5625 Eiger Road, Suite 105
Austin TX 78735

Holly Singletary, M.D. is a board certified dermatologist specializing in medical and cosmetic dermatology. Dr. Singletary is a native Texan and earned her undergraduate degree in biomedical science from Texas A&M University, graduating Cum Laude. She went on to earn a medical degree from The University of Texas Health Science Center at Houston. Dr. Singletary has recently been awarded the honor of "Rising Star" by Super Doctors for 2012 and 2013.

Dermatology services offered at this location include the treatment of skin conditions ranging from acne to skin cancer. Cosmetic dermatology and medical spa services are also offered, including Botox®, laser skin treatments and chemical peels.

About Vitalogy SKINCARE:
